

The **AgroMET**TM Agricultural Weather Station

ON AND AROUND YOUR FARM

Sensor assemblies optimized for successful growing

www.rainwise.com/agromet

- Monitor the conditions that matter to your operation.
- Complete basic weather conditions plus solar radiation and leaf wetness.
- Monitor soil conditions and improve irrigation.
- 2 year warranty.

The AgroMET Sensor Assembly
See chart below for diagram details.

SKU	MODEL	PRODUCT DESCRIPTION
800-0007	AGROMET	MK-III-RTI-LR w/ Solar Radiation & Leaf Wetness Sensor
800-0011	AGROMET-IP	AgroMET Sensor Assembly w/ IP-100 Network Interface
800-0017	AGROMET-CC	AgroMET Sensor Assembly w/ CC-3000 Computer Interface

Access your data using RainWise's cutting edge technology:

IP-100 Network Interface 	CC-3000 Computer Interface 	TeleMET 
--	---	--

Get the sensor assembly that best suits your needs!
